Today we celebrate the community of faith, being in communion with all the saints, a day of both thanksgiving and vision. Thanksgiving because of the example and inspiration of the saints, who have come to maturity, to the measure of the full stature of Christ.

Reflection - Holy Souls Prayer

Remember those, O lord, who in your peace have died; yet may not gain love's high reward; till love is purified; With you they faced deaths night, sealed with your victory sign; Soon may the splendour of your light; on them for ever shine. Sweet is their pain, yet deep, till perfect love is born. Their lone night – watch they gladly keep; before your radiant morn. Your love is their great joy, your will their one desire; as finest gold without alloy, refines them in loves fire. For them we humbly pray perfect them in your love, oh may we share eternal day with them in heaven above.
