Palliative Care Week 11th to 17th September 2022.

This year's theme is Palliative Care: Living as well as possible. Palliative Care Week aims to raise awareness of the difference palliative care can make to people with life-limiting conditions, carers and families throughout the island of Ireland. Working with partners and colleagues across the palliative care sector and with other organisations and individuals interested in health and wellbeing, All Ireland Institute of Hospice and Palliative Care (AIHPC) has facilitated an annual Palliative Care Week since 2014. Why Palliative Care Week? Misunderstanding about palliative care persists, meaning some people who could benefit are less willing to seek it, potentially missing out on improved quality of life. It comes under the broad understanding of public health approaches to palliative care. It is in line with key palliative care policies across the island of Ireland.

Clinical Pastoral Education (CPE) CPE is an internationally recognised training programme for Healthcare Chaplaincy. CPE can also be used for a time of sabbatical, discernment or faith formation. For further information or to make an enquiry contact Dr. Margaret Naughton at 066-7184000 or email naughtonmargaret@yahoo.com

Good Wishes to our leaving cert students receiving their results this week.
