Knock Youth Leadership Programme

This programme is aimed towards those who have an interest in exploring their faith and handing it on to future generations. Participants will be given an opportunity to receive training to become leaders within their parish. We would like to train leaders and create a resource for them to take back to their parishes so that they can work with the young people in their area, engage with them more and walk with them as they deepen their faith. For more info contact Knock Youth Ministry youthministry@knockshrine.ie or phone 0949375321.
