SS Peter and Paul, Apostles On this day, traditionally considered in pagan Rome to be its foundation day by Romulus, we celebrate the twin founders of the Church in Rome. St Peter, originally called Simon, a fisherman who became leader of the apostles and the rock on which the Church is built, died by crucifixion in Rome around the year 64. St Paul, Saul the Pharisee who became the 'Apostle of the Gentiles', was martyred by beheading around 67. Both proclaim with their lives that Jesus is the Christ, the Son of the living God.

Dear Lord,
As summer beckons us to explore new horizons,
we seek your divine protection during our journeys.
Watch over us as we venture near and far,
ensuring safe travels on the roads,
in the air, and over the waters.
Guide us through unfamiliar paths
and bring us back to our loved ones,
enriched by our experiences.
Amen
